

Drawing from the well of Christ  
Contemplatively  
Actively

Dear Oasis graduate and/or staff person:

From time to time we receive inquiries from people seeking a spiritual director and/or retreat leader. We are aware that we could refer people to Spiritual Directors International, but we also know that many of our graduates and staff members are at work in contemplative ministries as well. We know some of you, but would like for our list to be more complete.

If you would like to be included on our list as a referral, please take a moment to complete the following information and send it back to us. (You may also email it to [betsykeller@oasismin.org](mailto:betsykeller@oasismin.org))
